## Team

Making a book is teamwork. I am grateful that so many have supported me in making this second, revised and extended edition of the book *Central African Forests Forever*.

First of all I would like to thank designer of the book Emiel Hoving. Teaming up with you is always a great pleasure. Thank you very much for your devotion, tireless support and craftsmanship.

The pleasure of working together also applies to other members of the team: Peter Davies (proofreading English), Truman (Chinese translation), Zhang Kai (proofreading Chinese) and Mariëtte Boomgaard (design website).

Allard Stapel, chief external affairs at WWF the Netherlands, thank you for your encouragement to publish a Chinese edition.

Lei Ren, international publishing consultant at Foreign Rights Agency Asia, thank you for your invaluable support to realize publication in China. Martin Fontijn, international publishing consultant, thank you for your kind advice.

Henk Hoefsloot, expert forest and land governance West and Central Africa; Alain Karsenty, economic expert sustainable forestry in Africa at CIRAD and Gijs Breukink, expert responsible forestry at WWF the Netherlands, thank you for your valuable input.

Romain Lorent, program coordinator at the Central African Forest Commission (COMIFAC); Dr. Junzuo Zhang, team leader at the China-UK Collaboration on International Forest Investment & Trade (InFIT); Nathalie Bouville, regional communications manager at FSC Africa and Guilaine Nzogho Omanda, press secretary at the Ministry of Water, Forests, Seas, Environment and Climate Strategy in Gabon, thank you all for your valuable support.

I thank my wife Elleke and our daughters Willemijn and Jetske for their love and support to complete this new edition of *Central African Forests Forever*.

## Funders

I am very grateful for the financial support by the funders of this second, revised and extended edition of the book *Central African Forests Forever*. Your support has made it possible to publish this edition. The funders are:

Central African Forest Commission (COMIFAC, PPECF-programme) in partnership with the German Development Bank KfW
