

INFORMATION DISCLAIMER

The information in this book is only intended as a general outline that is made available to the public. It is not intended to provide specific advice or to take the place of any laws or regulations.

LIABILITY DISCLAIMER

Every effort has been made to ensure the accuracy and completeness of the information provided in this book. However, the publisher, the authors and the funders of this book provide no warranties, expressed or implied, regarding errors or omissions and assume no legal liability or responsibility for loss or damage that may result from the use of information contained in this book. The publisher, the authors and the funders of this book cannot endorse, or appear to endorse, derivative or excerpted materials, and they cannot be held liable for the content or use of adapted information.

ENDORSEMENT DISCLAIMER

Reference in this book to any specific commercial products, processes, services, manufacturers, companies, or trademarks does not constitute their endorsement or recommendation by the publisher, the authors and the funders of this book. The publisher of this book, the authors and the funders of this book cannot endorse or appear to endorse any specific commercial products or services or information or views expressed in this book.

This book contains web links to organisations, financial institutions, companies, business networks, universities, scientific institutes, research centres, government agencies, NGOs and private individuals. The inclusion of these links does not constitute endorsement or recommendation by the publisher, the authors and the funders of this book of the linked web resources or the information, products, or services contained therein. The publisher, the authors and the funders of this book do not exercise any control over the content on these sites.
